CWE Summer State Conference 2011

The church weekday summer state conference held at First Baptist Church in Georgetown, July 13-15, 2011 was a huge success! Each day was opened with Praise and Worship led by Ann Parnell and followed with exceptional keynotes and training.

The 2012 state conference will be held at FBC, Georgetown again. The Association is excited about being in Georgetown! By being more centrally located, we hope that more church weekday programs will be able to participate in this training.

Continue to check our website for updates on conference leaders, topics and schedule. Registration for the conference will be mailed April 1st and available on-line April 2nd.

Self Evaluation Guide & Advanced Guide

These guides are written as a check list for programs to evaluate the quality of the program they are directing and teaching, the professionalism of the staff and the curriculum they are using in their classrooms.

Going through the guide as a staff will develop a sense of team and boost morale and pride in the weekday program.

Both guides are available on the TBCWEA website to association members. Programs that complete the guides will be recognized at the summer state conference in July.

If you kept every resolution you made last year- you would be skinny, smart, healthy, rich and BORED
